

Loreto College, Kolkata recognised as 'Clean Air Champion College' in 'Move for Earth Symposium: Coming Together to Inspire Climate Action'. Congratulations to Greenovation Club for their active participation in the symposium.

Loreto College Kolkata received 'Clean Air Champion College' award for showcasing innovation and dedication to environmental sustainability fostering positive change in a symposium titled 'Move for Earth Symposium: Coming Together to Inspire Climate Action', which took place between March 7, 2024 and March 9, 2024, in Kolkata. This award was conferred on the student representatives of Greenovation Club of the college, who participated in two workshops of this symposium-- (1) Workshop on Sustainable Tales: A Story Telling Competition and (2) Workshop on Sustainable Fashion For a Better Future.

The symposium, organized by SwitchON Foundation, in collaboration with The Consulate General of Federal Republic of Germany, Kolkata, American Center of Kolkata, and Earth Day Network, was a three-day long event, revolved around collaborative strategies for addressing the pressing environmental challenges of West Bengal, and aimed to come up with solutions based on expert insights and workshops.
