### Scope

*Critical Imprints* is a peer-reviewed interdisciplinary journal (ISSN 2319-4774) published annually by the Department of English, Loreto College (University of Calcutta). It is primarily a journal of literary criticism which also publishes articles that explore the interface between literature, the social sciences and the other arts. Each volume focuses on a theme or period and welcomes articles that encourage the re-reading of familiar authors as well as those that focus on new work. *Critical Imprints* invites historical and critical essays of moderate length (ca. 5000 words not to exceed 7500 words including endnotes) that contribute significantly to the understanding of literature and culture

### Style

Submissions should be double-spaced throughout, including inset quotations and endnotes, and should be prepared in conformity with *The Chicago Manual of Style 16th Edition*. We prefer documents in MS Word, Times New Roman, 12 pt. font.
