LORETO COLLEGE, KOLKATA

VISION

In concordance with our Founder Mary Ward's core values of justice, freedom, sincerity, truth and joy, our goal is to form women alive to the needs of our world, with the knowledge which gives them power to act, motivated by the love which gives them purpose and wisdom in their action. We believe that:

- ❖ every woman who is empowered to her best potential proclaims the Glory of God
- ❖ our institution must be a dynamic entity, to discern changing needs and re-adjust structures and activities in response
- ❖ this demands high levels of awareness at the administrative level so that education becomes a continuous process involving staff, students and parents
- ❖ the college is a place where social justice and equal access contribute to the quality of our nation
- ❖ our institution prioritizes the practice of important human values and encourages the students to gain confidence and initiative even as they commit themselves to excellence in learning.

MISSION STATEMENT

We, in Higher Education, aim at forming informed and empowered women who respond to the needs of the universe with competence, conscience, compassion, and who persevere in 're-searching' for relevance and authenticity in a changing world.

About Us

An institution of higher education in India today, Loreto College has been **re-accredited by NAAC with grade 'A' (the last re-accreditation being 2021)**, for the 4th cycle. Loreto College, Kolkata was established in 1912 and is managed by the religious order of the Institute of the Blessed Virgin Mary. It is a Christian Minority college aided by the Government, committed to providing the highest quality education for women to enable them to develop their intellect and talents and to participate effectively and fully in society. This institution, which is now over a hundred years old, has been **awarded heritage status certified** by the KMDA. Loreto College is an affiliated, undergraduate college of the University of Calcutta. The college received sanction from the University of Calcutta in 2016 to begin a post-graduate Master's Course in English.

Loreto College's vision of inclusive education and commitment to high academic standards has culminated in it being awarded **CPE (College with Potential for Excellence) status for the 3rd cycle. It has featured in ranking by NIRF (National Institutional Ranking Framework),MHRD (Ministry of Human Resource DEVELOPMENT) Govt. of India.**

The college has a centrally located campus of 2.75 acres with commendable infrastructure that includes spacious classrooms, a concert hall, an auditorium, health services, a computerized open-shelf library, acanteen, two staff rooms and two common rooms for students.

Loreto College has been innovative and creative in its approach to education and has an active Internal Quality Assurance Cell (IQAC) that makes a continuous effort to raise the institutional standards and ensure quality. Student-teacher relationships are nurtured and cherished and there is an effort towards evolving an innovative evaluation pattern for the students. The college has set up Incubation centers to foster entrepreneurial talent. **Value Education** has been and continues to be a major thrust area for this institution. Governance is participative and decentralized with the management, faculty, students and stakeholders. The institution has fully qualified faculty members in keeping with UGC norms. The institution has a healthy research culture with faculty members publishing in national and international journals. Students are also strongly encouraged to publish their guided research papers.

Loreto College has changed much since its founding in 1912, but throughout its history there have been certain enduring factors: an uncompromising defence of academic and intellectual freedom, an attention to the relation between college education and the larger public issues of world order and human dignity, and a concern for the rights and privileges

of women. Today the college continues to benefit from a dynamic relationship between innovation and tradition and while Loreto's basic curriculum of the humanities, arts and sciences still flourishes, the college continues to respond to the new intellectual needs of today's women by offering new courses and preparing women to fulfill their responsibilities to the local, national and global communities in which they live.
