ABOUT US

An institution of higher education in India today, Loreto College, Kolkata has been re-accredited in 2021 by the National Assessment and Accreditation Council (NAAC) with Grade 'A' (2021), for the 4th cycle. The B.Ed. Department, founded in 1913, is recognized by the National Council for Teacher Education (NCTE) and was awarded the B++ grade by NAAC in 2003. Loreto College was established in 1912 and is managed by the religious order of The Congregation of Jesus . MARY WARD

MOTHER DELPHINE HART

FOUNDER OF LORETO IN INDIA

The College has a centrally located campus of 2.75 acres with commendable infrastructure that includes spacious classrooms, a concert hall, an auditorium, health services, a computerized open-shelf library, a canteen, two staff rooms and two common rooms for students. Loreto College has been innovative and creative in its approach to education and has an active Internal Quality Assurance Cell (IQAC) that continuously strives to raise institutional standards and ensure the best possible educational quality. Student-teacher relationships are nurtured and cherished and there is an effort towards evolving new evaluation patterns for students.

Loreto College has changed much since its founding in 1912, but throughout its history there have been certain enduring factors: an uncompromising defence of academic and intellectual freedom, an attention to the interface between college education and the larger issues of world order and human dignity, and a concern for the rights and privileges of women. Today the college continues to benefit from a dynamic relationship between innovation and tradition and, while its basic curriculum in the humanities, arts and sciences still flourishes, it also responds to the intellectual needs of today's women by offering new courses and preparing students to fulfil their responsibilities to the local, national and global communities.
