Acknowledgement of Programme Outcomes (POs) and Course Outcomes (COs) for 2026-27

The Semester I History Major students were introduced to the Programme Outcomes (POs), Course Outcomes (COs) and Programme Specific Outcomes (PSOs) of our department by Dr Sukanya Mitra on 8 July 2026. She guided us on how to access the POCOs through the Academic section of the college website and she also explained their purpose and importance. We understood how the POs and COs help us to develop a deeper understanding of the knowledge, skills, and values we are expected to gain throughout our course.

We thank Dr Mitra for taking the time to guide us.
