Free Health Screening Programme

The National Service Scheme (NSS) Unit of Loreto College (Autonomous), Kolkata, organised a Free Health Screening Programme on 11th August 2026 at the College Concert Hall. The programme was conducted by Dr. Waheed Hasan and aimed at promoting preventive healthcare and encouraging regular health monitoring among the college community. The screening covered three important health parameters: blood pressure, blood sugar and lipid profile. A total of 40 beneficiaries, comprising teaching staff, non-teaching staff and facility staff of the college, availed themselves of the screening services.

The programme was supported by six NSS student volunteers, who assisted in coordinating the participants and facilitating the smooth conduct of the screening. The initiative reflected the NSS Unit's commitment to promoting health awareness and well-being within the college community. The programme concluded successfully with active participation from the staff and volunteers, reinforcing the importance of regular health screening and preventive healthcare.
